Dear Clerk:

Greetings, I hope that this letter for assistance finds you healthy and Covid-19 free. As you can see, I'm a prisoner at Buckingham Correctional Center in Dillwyn Virginia. Please tell me which court has the authority to try my case. My claim arose here at this institution and I have another claim against two doctors at VCU Hospital in Richmond. Do I have to put this on a new 1983 Complaint or should I add them to my 1983 Complaint against Virginia Dept. of Corrections officials and officers here at BKCC? Please send me the Local Rules of your Court, the Statute of Limitations, All Forms needed to file a Section 1983, Summons, In Forma Pauperis forms, Forms of Appointment of Counsel, Federal Rules of Civil Procedure and any other forms, information +

rules, etc. such as format of materials/documents
filed in your court.

Please send me ^{as list, and} ~~everything~~ ^(documents) everything filed in
Brooke Whitley, et al., v. Ralph S. Northam, et al.,
Civil No. 3:20cv255 (DJN) - all Plaintiff and
Defendant documents and the filings in
Va. Sup. Ct. Case No. 200551. I would also
like a copy of their Settlement agreement.

Thank you in advance for your time
efforts and concerns.

Respectfully requested,

Charles E. Zeller, Esq.

P.S. I contracted the COVID-19 virus from a BICE
officer and almost died during my two month stay in
ICU. I've lost my essential worker housing status, job
from Virginia Correctional Enterprises (VCE) where I've
been employed since 10/2006. In addition, I have seven
new scars, severe nerve damage and pulmonary fibrosis
which don't have a cure and could take my life at
any time. I was almost the 5th prisoner here who died
of the COVID-19 virus. If there are any prisoners in
Virginia's District Courts suing VADOC for injuries from
COVID-19 please share their info or have their attorneys contact me.
